

Gastro M

Ice Maker CT694

Daily Production (kg):	28
Ice Bin Capacity (kg):	10-12
Dimension (W x D x H) (mm):	400 x 460 x 670
Ice Cubes / Cycle:	24
Consumption (W):	385
Voltage:	220V/50Hz
Refrigerant:	R454c

- Ice cubes adjusted from 18gr up to 32gr
- Bullet shape ice cubes
- Undercounter ice maker suitable for narrow places like small bars and caffeterias
- Nominal production capacity reached in 21° C ambient temperature and 15° C water temperature
