

Gastro M

Ice Maker CT695

Daily Production (kg):	40
Ice Bin Capacity (kg):	15-18
Dimension (W x D x H) (mm):	480 x 580x 740
Ice Cubes / Cycle:	36
Consumption (W):	575
Voltage:	220V/50Hz
Refrigerant:	R454c

- Ice cubes adjusted from 18gr up to 32gr
- Bullet shape ice cubes
- Undercounter ice maker suitable for narrow places like small bars and caffeterias
- Nominal production capacity reached in 21° C ambient temperature and 15° C water temperature
